# Why Sponsor The **JUST BE ANGELS** Benefit Fashion Show?

## Who Are We?

Just Be was created by six diverse individuals who have a common passion to serve their community. The co-founders understand that all cancer patients go through a series of emotions including dealing with self-confidence and self-acceptance. Our mission is to promote the empowerment of those diagnosed with cancer by improving self-esteem and their overall quality of life. We hope that one day those diagnosed with cancer will understand that their diagnosis does not define them, and that they have a choice to be positive, confident and beautiful.

## Just Be... A Sponsor

- Cancer cases are expected to raise to a staggering 21 million in 2030
- Lung Cancer is the most common cancer worldwide with breast cancer at second
- There is an estimated 58,510 cancer survivors ranging 0-14 years old living in the US as of 2012

We are excited to be having our first annual benefit fashion show and dinner to support cancer awareness in our local community! It all began with fashion show watch parties hosted by co-founder Andreul Hulganga. After years of hosting and attending the parties our team discovered an opportunity to benefit our local community by raising awareness for the fight against cancer and promoting self-esteem and overall quality of life.
